RE: MUR 5907

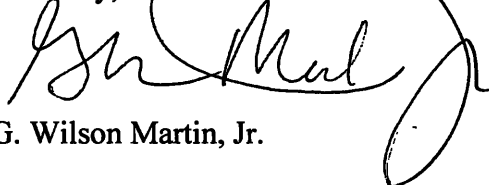

Dear Mr. Jordan:

This is in response to your letter to me dated April 19, 2007 regarding additional information received from the complainant in the above-referenced matter. Enclosed with your letter was a copy of a notarized letter dated March 21, 2007 from the complainant to the Office of General Counsel.

I do not believe that the additional information submitted necessitates any addition to or modification of the response I submitted to you dated March 29, 2007; however, I would like to reiterate that in response to the complainant's oral request for confirmation of the dues amount he had to pay to avoid membership termination, he was orally advised that he only had to pay the stated "Total" amount less the requested NCRPAC contribution of \$20 to maintain his membership status.

We respectfully renew our request that the Commission and Commission staff take no action against NCRPAC, William DePriest as its Treasurer, or the Board in response to this complaint, and that it be dismissed without further action.

Sincerely,

G. Wilson Martin, Jr.
